EDITION

Indiana Amish

DIRECTORY

Adams County and Vicinity

It is a pleasure to make available the first edition of an Amish Directory of Adams County and vicinity. The members of the 10 church districts have responded freely and I wish to express my thanks to all who have contributed to this effort.

A yearly revision of such a book is not possible. In all probability unintentional errors, omissions and mistakes have occurred--I hope you will forgive these and that you find this book useful and interesting.
